Connect to a new life

## Two options, unique excellence

The Link is a development composed of two buildings where excellence is uppermost. Here, the latest in design has been combined with top quality materials and architecture making each and every apartment that missing piece which would make your life perfect.

## The link to all you will ever need

At the Link you will find yourself close to all the important amenities. The main access roads to Lisbon are but a short distance away as well as schools, a hospital, numerous shops, services and leisure areas including several golf courses.

Due to its proximity to the Centre of Cascais, the Link enjoys all the advantages of a large town combined with peace and quiet in this unique place.

## The connection to a finer lifestyle

At The Link you will live on one of the main access roads to the town of Cascais, where much need tranquility goes hand in hand with a dynamic environment. With views to the sea this contemporary condominium offers design excellence making it a desirable place to live.

In order to ensure peace and tranquility, each building is an independent private condominium allowing you to enjoy the outdoor spaces that will enrich your life.

## Superb design of open space living

With attention to detail in this condominium, top quality materials have been selected to make your home a place of outstanding comfort, a comfort which only the best developments provide.

One of The Link's buildings will benefit from an outdoor swimming pool for you to enjoy.

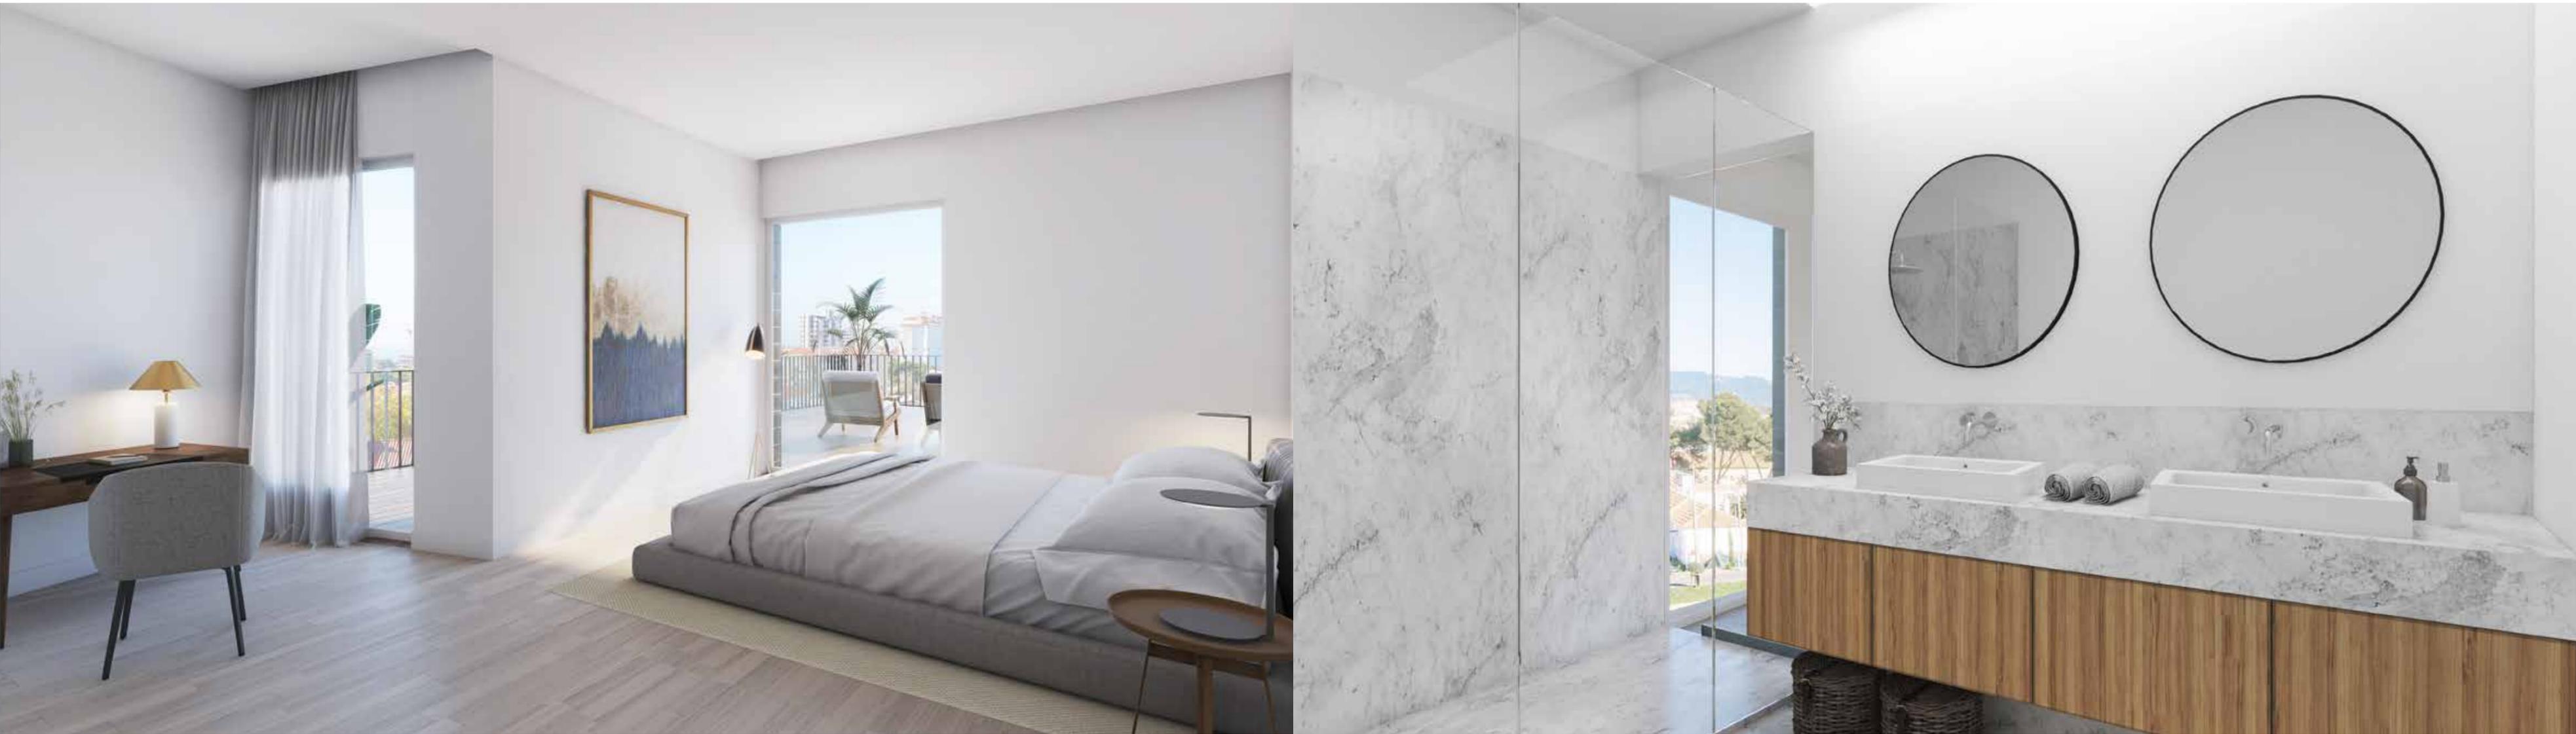

Excellent interiors make it possible to have a real connection with your home.

## A fusion of the best quality and style

At The Link you can find the perfect symbiosis between form and function.

The architecture which allows your home to be bathed in natural light through the large windows framing the unobscured views adds that extra dimension.

All the elegance your life deserves in the space you have always dreamed of.
